

All Things Must Pass

Intro || E | %. | %. | %. ||

E A
Sunrise doesn't last all morning

E A
A cloudburst doesn't last all day

E A
It seems my love is up and has left you with no warning

E A
It's not always gonna be this grey

Bm A A4 A E A
All things must pass All things must pass away

E A
Sunset doesn't last all evening

E A
A mind can blow those clouds away

E A
After all this my love is up and must be leaving

E A
It's not always gonna be this grey

Bm A A4 A E A
All things must pass All things must pass away

Bm A A4 A E A
All things must pass None of life's strings can last

E A
So I must be on my way To face another day

E A
Now the darkness only stays the nighttime

E A
In the morning it will fade away

E A
Daylight is good at arriving at the night time

E A
It's not always gonna be this grey
